Website Consent Form for Parent Referral Access

April 1st, 2011 to March 31st, 2012

We have a website www.kelownachildcare.com which allows parents to search for free online for child care in our community. Our catchment area is from Oyama to Peachland. Licensed Facility and Home Based child care programs, as well as, Registered License Not Required care providers have the option of being included on our website child care data base program. The website also includes general child care information links that are helpful for parents as well as child care providers.

Please complete and return the Consent Form below to indicate whether or not you want to be listed on our website. If you consent to be included on our website referral link, information on your child care program will be available to parents seeking child care.

Your child care information and (optional) descriptive highlights of your program will be added to the website only once per year (special circumstances may apply). If you choose to remove your name throughout the year, you may have to wait until the new fiscal year to have your name relisted. (April 1st to March 31st)

Please complete, sign and return this form to the Kelowna Child Care Society Child Care Resource & Referral Program at #4 - 1890 Ambrosi Road or fax: 250-861-1299 or email: resource@kelownachildcare.com.
